

The **National Association for the Blind (NAB)** is dedicated to improving the lives of visually impaired individuals throughout the country. NAB provides education and training to empower these individuals and help them achieve their full potential and integrate them into the mainstream of society.

We, The Alexandra Girls' English Institution, will have a **two-day donation drive** to help them in this mission. So, be a Santa's Elf this year to spread **joy and hope** in someone's life!
